

CEU's

Justice Summit V will be offering CEU's hours that will be certified by the Florida Certification Board for an additional flat fee of \$35 which will allow you to receive up to 18 hours of education in the mental health, psychology and other licensed professions where annual CEU's are required. Just check it off on the registration form and the cost is automatically added to your registration fee.

CLE's

Justice Summit V will again be offering CLE credit to all attorneys. There is no charge for attorneys, but the number of CLE credits will be announced post-Summit. In the last two years, the Florida Bar has awarded up to 18 hours for attending the Summit and we'll let you know how many hours will be allowed once we receive notification from the Bar.
